Subject: RE: PFAS Regional Event - Agenda

This is the best I can do right now as it is still a work in progress. Maybe you can call me when you get a chance, Alex, and I can fill you in on more details from the citizens call.

It is looking like the citizen group leaders will split the time per state (one panel) and also use a combo powerpoint that will be completed by midday on Friday.
VT will not utilize the PP, but just speak from the panel. 60 minutes total. If RI has a citizen, we can plug them into the 60 mins.

NH
Andrea Amico, Portsmouth
Jillian Lane, Greenland

Laurene Allen, Merrimack

MA

Kristen Mello, Westfield

Susan Phelan or Stephen Seymour, Hyannis

VT

NHDEC will provide specific Bennington name(s) late tomorrow or early Thursday.

The Tues. community panel will represent the organized communities; three topics (30 mins); likely one speaker (from above names) for each topic.

Summary of community concerns

Community challenges

Input/Recommendations for EPA Mgmt. Plan
